

Permanent Building Construction Committee Vacancy

The Town of Norwood is seeking a volunteer to fill a vacancy on the Permanent Building Construction Committee. The Committee is responsible for the construction, alteration and enlargement of all public buildings including all schools. This volunteer member will fill the term on the Permanent Building Construction Committee through May 1, 2014 and will be eligible for reappointment. No specific experience is required although; experience in estimating or with large scale construction projects will place a candidate ahead of a candidate with no construction experience. Letters of interest should be sent to the Norwood Board of Selectman or by contacting the Chairman (William Kinsman) through the committee secretary Peggy Flaherty at 781-762-1240.
